FAQ

Que?

The most frequently asked question is about the required investment and what's included in it

Investment is started from Rs. 5,00,000 to 15,00,000 depend on your budget because in Rs. 5,00,000 you get non - exclusivity and in Rs. 15,00,000 you get exclusivity of city depends on city size not applicable to city like delhi, mumbai, bengluru, hyderabad, etc.

The second question after investing is: "When will I see a return on investment (ROI), and how much will it be?

ROI depends on city to city, but typically you will recover your amount within 6-8 months.

The third question is: "If I will invest and become a Reparv Business Promoter, do I need to bring leads myself? Do I have to handle marketing as well?

No, You need not do any marketing you need to manage team and generate good sales from provided leads from Reparv.

The fourth question is: "After becoming a Reparv Business Promoter, do I need to get an Office ?

Yes, a small office required to manage for client visit and employee working space with normal Reparv Branding.

Thank You!
